

The Hollies School - Safe learning environments for pupils and staff

We are committed to ensuring The Hollies School is a safe place where our pupils and staff are treated with respect and dignity, in a nurturing and positive learning environment.

Cardiff Council has recently launched a publicity campaign to highlight its commitment to student and staff safety and well-being, and to remind school communities that pupils and staff have a right to attend school free from abuse and any form of aggression.

Any form of written, verbal or physical abuse towards staff in our school will not be tolerated. The Council is committed to supporting schools and governing bodies to take any necessary action to keep staff safe. This may include restricting contact and communication with certain individuals, exclusion from the premises and reporting matters to the police when necessary.
